

Guidelines for Submission of Papers for Publication in 'Man-Made Textiles in India'

Man-made Textiles in India publishes original research articles, review of important topics related to any aspect of textiles and related industry including testing and evaluation, management and marketing of textiles. The following guidelines may kindly be followed while forwarding the papers for consideration of publication in the journal:

- It should be original in nature. The author should confirm in writing that the same article has not been forwarded to any other journal for publication.
- In addition to the hard copies, the authors should submit the paper on a CD or via email.
- The paper will be considered only when an Abstract (not more than 100 words) is submitted along with the manuscript.
- Submitted manuscript will not be returned in case of rejection.
- Author's contact detail viz., address, e-mail, telephone/mobile no. is a must.
- In case of review paper proper linkages of references should be given in body text. The reference should be submitted in the following format:

Journals:

Author's Name (eg. A. B. Surname) Name of Journal in Italics Volume Number (Issue Number) in bold (year) page number.

Text books:

Author's name (eg. A. B. Surname) Edition Edition number if any Publisher (year) page number.

The publication of the paper is subject to scrutiny by the Editorial Board. Even after acceptance of the publications, it may take a few months for the paper to be published depending on the number of papers received during that time. If the paper is not accepted for publication, every effort will be taken to communicate the same to the authors as soon as possible.
